**COOKIE POLICY**

**INFORMATION ABOUT OUR USE OF COOKIES**

Our website uses cookies and similar technologies to distinguish you from other users of our website. This helps us to provide you with a good experience when you browse our website and also allows us to improve our site. Your acceptance of our Cookie Policy is deemed to occur if you continue to use our site. If you do not agree to our Cookie Policy please stop using our site immediately.

A cookie is a small file of letters and numbers that we store on your browser or the hard drive of your computer if you agree. Cookies contain information that is transferred to your computer's hard drive. Cookies are used by nearly all websites and do not harm your system.

**HOW DOES OUR SITE USE COOKIES?**

Our site may place and access certain first party cookies on your computer or device. First party cookies are those placed directly by us and are used only by us. We use cookies to facilitate and improve your experience of our site and to provide and improve our products and/or services. We have carefully chosen these cookies and have taken steps to ensure that your privacy and personal data is protected and respected at all times.

By using our site you may also receive certain third party cookies on your computer or device. Third party cookies are those placed by websites, services, and/or parties other than us. Third party cookies are used on our site for advertising services.

All cookies used by and on our site are used in accordance with the current law. We may use some or all of the following types of cookie:

- **Strictly necessary cookies.** These are cookies that are required for the operation of our website. They include, for example, cookies that enable you to log into secure areas of our website, use a shopping cart or make use of e-billing services. These cookies cannot be turned off. Without these cookies these services cannot be provided. These cookies do not gather information about you that could be used for marketing or remembering where you have been on the internet.
- **Analytical/performance cookies.** These allow us to recognise and count the number of visitors and to see how visitors move around our website when they are using it. This helps us to improve the way our website works, for example, by ensuring that users are finding what they are looking for easily.
- **Functionality cookies.** These are used to recognise you when you return to our website. This enables us to personalise our content for you, greet you by name and remember your preferences (for example, your choice of language or region).
- **Targeting cookies.** These cookies record your visit to our website, the pages you have visited and the links you have followed. We will use this information to make our website and the advertising

displayed on it more relevant to your interests. We may also share this information with third parties for this purpose.

- **Persistent cookies.** A persistent cookie is stored as a file on your computer and it remains there when you close your web browser. The cookie can be read by the website that created it when you visit that website again. We use persistent cookies for Google Analytics.
- **Session cookies.** A session cookie is temporary and only remains on your computer from the point at which you visit our site until you close your browser. These are automatically deleted when you close your browser.
